If your rider classification changes within organizations or events other than the N.C.S.C during the season, it is the rider's responsibility to report this change in writing to the N.C.S.C as soon as it occurs. The information that you supply the N.C.S.C, your N.C.S.C riding record, classifications at non-N.C.S.C events, promotional points earned determine your rider classification. Riders may not "decide" what class or classifications they "feel" like riding.
